POLYTECHNIC COLLEGE ADMISSION - 2018

Guidelines for Spot Admission

1. Spot Admission should be conducted on 31.07.2018 and 01.08.2018.
2. Neighboring Polytechnic Colleges should discuss and decide the date as per the expected turn outs at the institutions. Such meeting may be conducted district wise under the leadership of Principals of Nodal Polytechnic Colleges. But spot admission should be conducted only in the respective institutions.
3. Institutions may prepare a waiting list on the day itself after the Spot Admission according to the chances of student exit from institutions. The waiting list is to be made available in the Web Site. Ensure that vacancies are at the minimum at the close of the admission.
4. **Last date of joining for the candidates in the Spot Admission may be fixed on 03.08.2018 and that of Waiting List on 06.08.2018.** Candidates should be informed over the phone or email in this regard.
5. Quota wise vacancy position of all the institutions in Govt. quota will be available in the Web Site on 30.07.2018.
6. Proxy can attend with Certificates and Fee on behalf of a student by submitting proper authorization.
7. Admission closes on 10.08.2018

Eligibility to attend Spot admission

1. Students who opted out from admission process by getting their Certificate back are not eligible to appear for spot admission. Students who registered at Institutions by retaining their allotted branches who do not take admission on or before 28th of July are also not eligible to appear for Spot Admission.
2. The students who got included in any of the 4 allotments and joined in the Institutions and who want to change their branch and institution, if available can attend Spot Admission.
3. The students who are included in the Rank List and never got allotment in all the 4 allotments can also attend Spot Admission.
4. Students who retained their higher options without joining any institution can also attend Spot Admission.
5. The last index of students eligible for attending spot admission will be decided by respective institutions and it will be published in the Web site.
