TX17/1213/2016/CTE

Date 18/04/2016

CIRCULAR TO PRINCIPALS

Sub:- Diploma Practical Examinations-increasing number of batches-regarding.

Ref:- (1) Minutes of the Technical Examination Board Meeting held on 6<sup>th</sup>  
January 2016

(2) Minutes of the Principal's meeting held on 01/04/2016

It is observed that, in the previous Diploma Practical Examinations, certain examiners had conducted practical examination for 10 candidates (One batch) per day, even though the laboratories/workshops have ample facilities to conduct more number of batches. This created delay in completing the practical examination as well as in the publication of results.

This situation was discussed in the Examination Board Meeting and in the Principal's meeting and it was decided to increase the batch strength.

Considering the above situation, Principals of all Polytechnic Colleges are directed to conduct practical examinations for 3 batches of candidates per day according to the availability of facility.

Yours faithfully,

JOINT CONTROLLER
