During inspections by Finance Inspection Wings etc, it has been found that this provision is extensively being misused. In order to check this, the following conditions are also imposed in the case of journeys performed outside an officer's jurisdiction undertaken under the orders of the competent authority:

- (i) For officers with jurisdiction over part of a District (Sub Revenue District), official tours outside their jurisdiction within the Revenue District will be subjected to a further ceiling as applicable to an officer of corresponding grade with jurisdiction over one Revenue District, for the journeys undertaken by him within the District, including journeys within the Sub Revenue District.
- (ii) The T.A ceiling as applicable to State level officers of the concerned grade will also apply to all officers with Regional, District or Sub-District level jurisdiction for the journeys undertaken by them outside their jurisdiction within the State, including journeys within the jurisdiction.

5. Journeys outside the State performed by all officers with the approval of the competent authority will not be reckoned for T.A ceiling.

6. The monthly ceiling may be exceeded by a maximum of 20%, but the increase should be adjusted within the limit of the respective quarter itself. The quarterly ceiling shall not be exceeded on any account.

7. In the case of officers travelling in Government vehicles, all his claims including TA, DA at places of halt, incidental expenses, rail journeys etc. within his jurisdiction shall not exceed 50% of the monthly/quarterly TA ceiling as applicable

to the officer of his grade in this order. But this reduction will not be applicable to Drivers of Departmental vehicles vide Government Order as 3rd paper.

INCIDENTAL FOR AIR JOURNEYS

8. Government are also pleased to restore the incidental expenses for air journeys, which was discontinued as per Government Order read 2nd paper at the rate of 1 D.A (admissible for outside the State) i.e., at the following rates:-

Status of Officers	Rate per journey
	₹
Grade I	350
Grade II(a)	250
Grade II(b)	225
Grade III	175
Grade IV	175

9. The incidental expenses for each air journey will be admissible on condition that the air fare plus the incidental expenses shall not exceed the economy class full fare through national airlines. Thus, if a person travels on economy class full fare, he will not be entitled to the incidental expenses.

10. In order to check irregular drawing of T.A claims, all drawing and disbursing officers and self drawing officers shall certify in the T.A bill that the claimant has not exceeded the monthly/quarterly ceilings.

11. Necessary amendments to KSRs will be issued separately.
